Journey's End

Concert 1 of 4
Mahler: Adagio from Symphony No. 10
Mahler: Das Lied von der Erde

Gigi Mitchell-Velasco, mezzo-soprano, Thomas Young, tenor

JOURNEY'S END

With this concert The Mahler Journey, begun last year, is brought to its close with two masterpieces from the end of the composer's life: Das Lied von der Erde (The Song of the Earth), perhaps the profoundest of all Mahler's works, as well as the most beloved, and the heart-wrenching Adagio from the unfinished Tenth Symphony. The orchestra is eager to delve into these crowning achievements of Mahler's late style, which was not represented last year. Soloists for Das Lied von der Erde are celebrated tenor Thomas Young and the sumptuous-voiced mezzo-soprano Gigi Mitchell-Velasco.

"...Zander's exquisite interpretation succeeded in transforming a 'mere' concert into a life-changing experience." — LONDON INDEPENDENT
